Inspiration for *your* adventures

Adria Mobil's mission is to inspire memorable mobile leisure time experiences and this has guided our approach to designing and manufacturing caravans, for the last fifty-five years. Our vision for the Adria brand is for it to be the most desirable recreational vehicle brand, so we always seek to inspire with our design and innovation and back this up with premium quality. We offer class-leading models and bring new layouts and detailed improvements across all of our ranges and we are delighted to follow up the launch of the award-winning and luxurious Astella, with the inspired new generation Adora. Designed and manufactured at our state-of-the art production facilities, supported by class-leading warranties and over 500 Adria dealers across Europe and beyond, you will always feel at home, wherever you decide to roam. Enjoy many memorable experiences, on your adventures with Adria.

# Why choose Adria?

The reasons for choosing Adria have never been so compelling. It is the combination of inspiring designs, elegant style and superior quality, which continues to grow the Adria family of owners.

*Adria caravans regularly win independent awards for design, innovation, quality and value for money. See website for details.*

## **PASSION**

Adria Mobil has been designing and manufacturing Adria brand caravans since 1965, that's fifty-five years of experience, passionately applied to every vehicle.

## **INSPIRED DESIGN**

We aim to inspire your adventures with caravans designed for living and designed to perform.

## **WORLD-CLASS MANUFACTURING**

The most advanced production facilities in the industry, ISO 9001 & EFQM 5 star certified for business excellence and quality management standards.

## **PREMIUM QUALITY**

Adria caravans have a reputation for quality, reliability and durability, using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire manufacturing and testing process.

## **PEACE OF MIND**

Adria caravans come with a classleading warranty and are supported by over 500 Adria dealers across Europe and beyond, backed up by a world-class parts supply and aftersales service.

## **SUSTAINABILITY**

We are committed to environmental sustainability and complying with environmental standards. Our environmental management system is certified to ISO 14001. We are also committed to sustainable development and the prevention and reduction of environmental impacts.

# Body construction

## CONSTRUCTION

Adria caravans have a reputation for being robustly built, which reflects our approach to design, construction and quality management.

Adria's unique 'Comprex' construction combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester.

- 1 composite wood panel
- 2 polyurethane sealing
- 3 eps styrofoam
- 4 exterior polyester body shell cladding

- 5 exterior polyester body shell cladding
- 6 XPS Styrofoam insulation foam
- 7 Reinforced hardwood profile

\* Terms and conditions apply. Please check details with your supplying dealer or on [www.adria.co.uk](http://www.adria.co.uk). Please check [www.adria.co.uk](http://www.adria.co.uk) for individual model specifications and technical details.

# Climate control

## ADRIA THERMO-BUILD STANDARDS

Our caravans are built to Adria 'Thermo-build' standards making them suitable for use all year round. Featuring optimized insulation materials, precisely engineered heating design and Adria's Air Flow System enabling a flow of air through the vehicle.

All vehicles are tested in our own climate chamber, from -40 to +60 degrees and in humidity from 45 % to 80 % between +30 and +60 degrees.

Comfort is assured in warmer conditions with good ventilation and integrated shading, including thermo-shielding and integrated screens in our panoramic windows.

Adria MACH smart control application remotely controls heating, cooling and other vehicle utilities (available as option on Alpina and Adora).

## HEATING

Easy to use **Truma** warm air distribution system. On selected models **Alde** heating, which is a liquid based central heating system, distributing heat evenly throughout the caravan. On selected models, Alde hot water floor heating available.

## TECHNOLOGY

Plasma-treat technology is a robotized process which cleans and applies adhesive to ensure perfect sealing of window and door joints.
